CRYSTAL CLEAR FACIAL (75 MINS)

LAMURE's flagship facial, designed to redefine your skin. A vortex cleanser washes the face, whilst providing lymphatic drainage. Your skin is then lightly exfoliated with Oxide Crystals, before applying the world's first Oxylce peel. Plant Stem Cells are Microneedled into the dermis, in an ice cold serum infused with 185% oxygen - stimulating collagen and reducing inflammation. Each step is complemented with a LED light, and your treatment is finished with a Cryogenic Mask, with specialised Boosters bespoke to your skin needs. Witness instant results of hydration & collagen production!
